COURSE OVERVIEW

Course: 10983NAT Certificate III in Outside School Hours Care (OSHC)

Who: School based students in Yr 10, 11 or 12 interested in working in an OSHC

Duration: Up to 2 years (guide: 5 hrs per week)

OUTCOMES

Completion of the course can:

- Contribute up to 8 Credit Points towards a QCE
- Ensure a minimum ATAR rank of 68
- Create pathway to a career in OSHC or a part-time job while going through uni
- Create pathways to higher level qualifications and university.

Note: ATAR & QCE information is generic only. Student individual circumstances (such as previous qualifications) can impact eligibility for QCE points. Refer to university policies regarding acceptance of VET qualifications and rankings as they can differ.

DELIVERY OPTIONS

RTO DELIVERY: Students undertake the course self-paced online. This may be:

- fully independent from school studies, with the student dedicating their own time or spare periods to the completion of the course.
- Built into the students timetable. With a dedicated line on their timetable or selected incursion days to complete the course.

Adapt Education provide unlimited online, phone and email support to students. The school will nominate a support teacher for face-to-face support on school campus.

All enrolment paperwork, student induction, training and assessment is conducted by Adapt with no administrative or teaching burdens placed on school staff. No minimum group numbers.

SHARED DELIVERY: The school and RTO share responsibilities. Adapt Education are responsible for administration and assessment marking to reduce the burden on school staff. The school's "in-house" teacher is responsible for session delivery and student support. Minimum group numbers apply for this mode.. Training is provided to school staff.

PARTNERED DELIVERY: Schools wanting to deliver the qualification to a large cohort may seek a partnering arrangement. This involves the school delivering Adapt's program with an approved "in-house" teacher.

STUDY ONLINE

Benefit from an easy to navigate eLearning course. The online course is interactive, meaning less readings and more visually engaging resources. Assessment consists of:

- Theory: multichoice quizzes, written questions and projects
- Practical: observations conducted in the OSHC centre)
