

CERTIFICATE IV IN PROJECT MANAGEMENT PRACTICE

COURSE OUTLINE

COURSE OVERVIEW

LEARN

Welcome to Adapt Education!

The Certificate IV in Project Management Practice has been specifically contextualised to the interior fitout industry and is designed to provide the knowledge and skills for individuals to effectively and efficiently manage a range of small to complex fitout projects.

This Nationally Recognised course consists of 9 units:

BSB41515 Certificate IV in Project Management Practice

The course is delivered in three clusters

BSBPMG409 Apply project scope management techniques

BSBPMG410 Apply project time management techniques

BSBPMG413 Apply project human resources management techniques

BSBPMG412 Apply project cost management techniques

BSBPMG414 Apply project information management and communications techniques

BSBPMG416 Apply project procurement procedures

BSBPMG411 Apply project quality management techniques

BSBPMG415 Apply project risk management techniques

CPCCB4012 Read and interpret plans and specifications

DELIVERY

The course is broken into three clusters, each with three units. Once your enrolment has been processed and payment received, the first three units will be immediately available via our interactive online portal.

You will have unlimited access to your trainer through phone, email and instant messaging. We pride ourselves on having quick response times to every query. Online study means that you can study at times and locations that suit you.

DURATION

You will have up to 6 months to complete each cluster (18 months in total) however you are able to fast track if you choose to. As a guide someone spending 4 hrs per week will comfortably complete the assessment component for each cluster in this timeframe.

ENTRY REQUIREMENTS

It is expected that students have well developed written and verbal communication skills, basic numeracy skills and basic computer operating skills. Upon receipt of your enrolment form you will be asked to complete a short Language, Literacy and Numeracy (LLN) test to confirm your suitability for the course. Adapt is able to assist participants whom experience LLN issues, or a disability.

ASSESSMENT

Your assessment consists of a combination of activities, written questions, case studies, projects, and evidence portfolios.

INDUSTRY PARTNERS

This course has been developed in conjunction with and endorsed by our industry partner, Interior Fitout Association (IFA).

FUNDING

Adapt Education is a proud recipient of Construction Skills Queensland (CSQ) funding for Certificate IV in Project Management Practice. Eligible participants can access this qualification fully funded through this program.

The Higher Qualifications—Building Specific program aims to provide existing workers, including relevant clerical, administration and professional staff whose employer is part of the Queensland Building and Construction Industry, with an opportunity to increase their knowledge and skills, provide pathways to further learning and open up opportunities to move into higher level and paraprofessional roles.

An eligible participant for CSQ subsidised training courses means:

(a) a Participant who has the right to work in Australia and is an Eligible Worker or Unemployed Eligible Worker in Queensland.

AND

(b) if an Apprentice or Trainee, Participants must have completed at least 50% of their Registered Training Plan for their Apprenticeship or Traineeship.

AND MUST NOT BE:

(c) an Employee of an Authority (Employees of Local Councils are acceptable);

(d) currently enrolled and participating in a Queensland secondary school program (school based Apprentices or Trainees are acceptable);

(e) a contracted trainer or assessor or existing worker of an RTO;

(f) funded by an Authority or such other source for delivery of the same Training being undertaken as part of this Program;

(g) those Participants seeking a Verification of Competency (or Determination of Competency) services under this Agreement.
