ENTRY REQUIREMENTS

It is expected that students have well developed written and verbal communication skills, basic numeracy skills and basic computer operating skills. A working with children check (also known as a blue card in Qld) must be obtained prior to conducting your vocational placement.

STUDY MODE

Study is **self-paced** meaning that you can study at times and locations that suit you. No assessment due dates and no timetabled lectures. Fast track your study or take your time – the choice is yours.

WEBINARS AND TUTORIALS

Webinars: Every module is supported by a webinar. Webinars cover the key concepts of a module and give you a head start on your assessment. Can't make the live webinar? No problems, you can view webinar recordings at a time that suits you.

Tutorials: These are optional video conference sessions in a small group environment. Ideal for students who have learning difficulties, study anxiety, "procrastination-itis", or simply those who feel they would benefit from a supportive and structured environment.

CHOOSE ONLINE OR CORRESPONDENCE

Online: benefit from an easy to navigate elearning course. The online course is interactive, meaning less readings and more visually engaging resources.

Correspondence: receive a hard copy textbook. All other resources are provided on a USB stick meaning assessment can be completed in an offline environment.
