STUDY MODE

Study is **self-paced** meaning that you can study at times and locations that suit you. No assessment due dates and no timetabled lectures. Fast track your study or take your time – the choice is yours.

Blended, onsite and **classroom** study modes are available on request. Please discuss with an Adapt Education staff member.

WEBINARS AND TUTORIALS

Webinars: Every module is supported by a webinar. Webinars cover the key concepts of a module and give you a head start on your assessment. Can't make the live webinar? No problems, you can view webinar recordings at a time that suits you.

Tutorials: These are optional video conference sessions in a small group environment. Ideal for students who have learning difficulties, study anxiety, "procrastination-itis", or simply those who feel they would benefit from a supportive and structured environment.
